

Coastal Calm, Crafted for You

Abalone Hotel & Villas' New Oyster Suites and Lounge

Tucked away in the charming fishing village of Paternoster, just a two-hour drive from Cape Town, Abalone Hotel & Villas is a boutique seaside escape where luxury, tranquillity, and the raw beauty of the West Coast come together. Whether you're seeking a romantic retreat, a wellness break, or a gourmet getaway, the hotel offers a world-class experience in one of South Africa's most scenic destinations.

A highlight of Abalone's offerings is the new Oyster Villa Seaview Suites, which are designed for guests who want an elevated, more exclusive experience. Situated in a separate, ultra-private villa, each suite opens onto a sleek, shared patio with a sunlounger, table and chairs as well as a long, heated pool overlooking the ocean. With uninterrupted sea views, these suites are perfect for soaking in the golden West Coast sunsets, morning strolls along the beach via a private path, and lazy afternoons with a good book and a chilled drink.

Guests of the Oyster Villa Suites enjoy access to a private Wellness Suite, designed for deep relaxation and indulgence. Featuring a sauna with ocean views and a cold plunge bath, this tranquil space invites you to unwind and restore after a day of exploring Paternoster's charming nooks and beachside trails.

A fresh addition to the Abalone experience, the Oyster Lounge offers coastal chic flair and a celebration of West Coast flavours. Overlooking the sea, this stylish space offers a curated menu of locally harvested oysters, Nikkei-inspired sushi, and tapas-style sharing plates, which are ideal for a laid-back start to your evening. Follow your starters with an exceptional dinner at Blues Restaurant, where the chef expertly prepares signature dishes like steak and crayfish. Paired with your favourite wine or cocktail, it's the perfect recipe for a relaxed yet refined oceanfront dining experience.

Beyond the Oyster Suites, Abalone Hotel & Villas offers a range of beautifully styled accommodation options, including their Classic, Superior and Superior Rooms with a balcony, as well as Seaview Suites, all-inclusive of complimentary breakfast. Family-friendly options include self-catering Apartments, The Penthouse, and the Oceanview Beach Villas. On-site guest amenities include a heated outdoor pool, a cosy reception area with a fireplace, and access to Abalone's Blues Restaurant, where breakfast, lunch, and dinner can be enjoyed.

In addition, Abalone Hotel also has an on-site Wellness Suite offering massages, treatments, and access to the state-of-the-art Welnamis Beds. The Welnamis Treatments combine the gentle sound waves of specially designed music with a highly effective vibration massage system. While the soundscape slows mental activity, the vibrations work on the body's energy centres, blending the benefits of deep relaxation, meditation, and mindfulness.

In-room dining options are available from Blues and The Oyster Lounge and there is easy access to Paternoster's beaches, art galleries, and nearby nature reserves.

At Abalone Hotel & Villas, time moves to the rhythm of the tides, and every detail – from the crisp linens to the sea-salted breeze – is designed to help you unwind. With the addition of the Oyster Villa Seaview Suites and the Oyster Lounge, this coastal retreat has redefined luxury on the West Coast with its coastal calm, crafted for each guest. Whether you're dining, dreaming, or simply breathing it all in, Abalone is the kind of place that stays with you long after you've left.
