

Seaside Serenity Beckons

A Voyage to Abalone's Coastal Retreat

Nestled along the wild, windswept shores of Paternoster, a charming fishing village just a two-hour drive from Cape Town's vibrant hum, Abalone Hotel & Villas invites travellers to a sanctuary where the ocean's whispers intertwine with refined elegance. This boutique retreat, cradled by the raw beauty of South Africa's West Coast, is not merely a destination – it's a sensory odyssey. Here, the rhythmic crash of waves and the amber glow of sunsets craft a backdrop for a getaway that weaves together romance, rejuvenation, and culinary artistry, all set against the untamed allure of the coastline.

The crown jewel of Abalone's offerings is the newly launched Oyster Villa Seaview Suites, a collection of exclusive sanctuaries designed for those who seek solitude and breathtaking vistas. Housed within a standalone villa, each suite opens onto a sprawling private terrace where the Atlantic Ocean unfurls in all its majesty. Imagine sinking into a cushioned sunlounger, a chilled glass of Sauvignon Blanc in hand, as the sun dips below the horizon, painting the sky in shades of coral and gold.

A heated infinity pool stretches along the terrace, its waters shimmering under the coastal sun, inviting you to linger as the salty

breeze carries whispers of the sea. For those drawn to the shore, a private pathway leads directly to Paternoster's pristine beaches, where morning strolls become moments of quiet contemplation amidst the dunes.

These Oyster Villa Suites elevate relaxation to an art form, offering exclusive access to a bespoke Wellness Suite – a tranquil haven bathed in natural light. Floor-to-ceiling windows frame the ocean's vast expanse, while a state-of-the-art sauna offers warmth and serenity after a day exploring Paternoster's hidden coves or meandering through its art-filled lanes. For a refreshing contrast, the cold plunge bath invigorates the senses, creating a perfect balance of indulgence and renewal. This space is a

cocoon of calm, designed to melt away the stresses of modern life to the soothing soundtrack of distant waves.

No journey to Abalone would be complete without indulging in the West Coast's culinary treasures at the newly opened Oyster Lounge. This stylish coastal retreat captures the essence of Paternoster's seafaring heritage. Perched above the shoreline, this chic venue celebrates local bounty with platters of briny, freshly shucked oysters harvested from nearby waters. Nikkei-inspired sushi rolls, blending Japanese precision with South African zest, share the stage with tapas-style plates – think seared octopus drizzled with smoked paprika oil or crispy calamari paired with a tangy lemon aioli. As

the sun sets, these small plates set the tone for a leisurely evening. For a grander affair, step into the adjacent Blues Restaurant, where the chef’s artistry shines in dishes like succulent grilled crayfish kissed with garlic butter or a perfectly seared sirloin paired with a robust Stellenbosch Merlot. Each mouthful is a tribute to the region, served with the ocean as your constant companion.

Beyond the Oyster Suites, Abalone Hotel & Villas offers a tapestry of accommodation to suit every traveller’s fancy. The Classic and Superior Rooms exude timeless charm, while the Seaview Suites and balcony-equipped Superior Rooms provide front-row seats to the Atlantic’s ever-shifting moods. Families and groups find their perfect escape in the self-catering Apartments, the opulent Penthouse, or the expansive Oceanview Beach Villas, all complemented by a hearty complimentary breakfast showcasing local produce. The hotel’s amenities weave comfort into every moment: a heated outdoor pool glints under the sun, a cosy reception lounge with a crackling fireplace invites lingering, and the Wellness Suite introduces innovative Welnamis Beds. These cutting-edge beds combine gentle sound waves with vibration massage, guiding guests into a state of deep relaxation where mind, body, and spirit find harmony.

For those who prefer the intimacy of their suite, in-room dining from Blues Restaurant or the Oyster Lounge delivers the West Coast’s flavours to your door. Beyond the hotel’s embrace, Paternoster’s treasures await – wander to nearby beaches, explore vibrant galleries showcasing local artists, or venture to the Columbine Nature Reserve, where fynbos-lined trails lead to sweeping vistas. Whether you seek adventure or solitude, Abalone’s seamless blend of luxury and nature ensures every moment feels bespoke.

At Abalone Hotel & Villas, time ebbs and flows with the tides, and every detail – from crisp linens to the sea-kissed air – invites you to pause and breathe deeply. The Oyster Villa Seaview Suites and Oyster Lounge redefine coastal indulgence, crafting an experience that lingers like the memory of a perfect wave. This is more than a retreat; it’s a journey to a place where the heart finds peace, and the soul feels anchored.
